**PRO ARMOR**

Pro Armor is proud to announce that the best armor protection for the Yamaha Rhino 700, 660 and 450 is now available.

**BODY ARMOR AND CARGO ACCESSORIES**

The Rhino has quickly become THE must have vehicle for off-road enthusiasts. From farm tool to desert racer, whether crawling over logs or flying over rocks with your Rhino, protecting the underside of the vehicle is critical. Any parts for a vehicle like the Rhino must be engineered to be stronger and more durable, then precision built out of the finest aluminum alloy with a specs sheet that reads like an off roader's wish list.

ALL PIECES OF PRO ARMOR RHINO ARMOR ARE ENGINEERED TO OVERLAP, PROVIDING YOUR RHINO WITH MAXIMUM PROTECTION.
